The diagram illustrates a set of file paths and their dependencies. A central gray box at the top contains four paths: /mnt/c/Users/siddh, /OneDrive/Desktop/ACSL, -flightstack/include/flightstack, and /utils/print_helpers.hpp. Five blue arrows point from this central box to five separate white boxes below it. The boxes below contain the following text: iostream, string, sstream, type_traits, and Eigen/Dense.
